

## **Newsletter 1 - February 2009**

In today's modern age of communication, news travels fast and some of you maybe aware of something fresh happening in the Charterers Liability Insurance market. Is there a new Carrier?

A world wide credit crunch, financial crisis, stock indexes, commodity markets and freight markets plummeting. With reinsurance capital becoming more selective, Charterama is designed to bring stability to the Chartering Market.

### **We believe we can.**

Commencing 1st March 2009 Charterama will offer a Charterers Liability Insurance and Defence cover exclusively for Charterers. Charterama has found strong support and will be the exclusive Underwriting agent for A rated Carrier SNS Reaal backed by AA- rated reinsurer Munich Re and Lloyds.

### **They believe we can.**

They believe in Charterama:

**Because** of the specialist industry experience and proven track record of the underwriting and claims staff;

**Because** Charterama understands the clients business, exposures and needs;

**Because** Charterama is able to differentiate in solutions to achieve optimum client satisfaction;

**Because** the boutique style approach creates client intimacy and an easy accessible service and team;

**Because** Charterers Liability is their exclusive business and their only focus;

**Because** there is no conflict of interest.

**Because** Charterama is a fully independent provider for Charterers Liability.

### **Do you believe we can?**

Most of you know us already.

Most of you know we value our brokers network.
